Parte 1 de 2
Parte 2 de 2
                           Eadd9 E
Have a heart, have a heart, have a heart
                           A7M
Sixteen six six six and I know the part
                           Eadd9 E
You are the river flow and we can never know
We're just the weathermen, you make the wind blow
                           Eadd9 E
Keep thinking about every straight face, yes
                           A7M
Wonder what your boyfriend thinks about your braces
                           Eadd9
What about them? I'm all about them
                          A7M
Six sets straight ace Cut 'em in the bathroom
                           Eadd9 E
So this is it then? You're here to win, friend
                          A7M A
Click click saddle up see you on the moon then
                           Fadd9 F
You're all alone, friend? Pick up the phone then
                          A7M
Ring ring call 'em up, tell 'em 'bout the new trends
                           Eadd9 E
So this is it then? You're here to win, friend
                          A7M
Click click saddle up see you on the moon then
                           Fadd9 F
You're all alone, friend? Pick up the phone then
                           A7M
Ring ring call 'em up, tell 'em 'bout the new trends
                           Eadd9
Have a heart, have a heart, have a heart
                          A7M
Sixteen six six six and you fell apart
                           Eadd9 E
You form a tarot pack, and I'm aware of that
But we could fist fight drunk like the parent trap
Keep thinking 'bout every straight face, yes
