

# Slipknot - Goodbye

Tom: E

m [Intro] Em Bm C

Em Bm C  
 Come on over  
 Em Bm C  
 Come unglued  
 Em Bm C  
 It's not easy  
 Em Bm C  
 To see all of you  
 Em Bm C  
 Help yourselves  
 Em Bm C  
 Help is on the way  
 Em Bm C  
 Well there's nothing to lose so now  
 Em Bm C  
 I have something to say  
 D  
 Maybe we can all recognize a moment of silence C  
 D  
 Maybe we can finally agree on the same point of view C  
 D  
 A long time ago we believed

C  
 And we were united  
 D  
 So the last thing on earth  
 C  
 I am ready to do is say  
 Em Bm C  
 Goodbye!  
 ( Em Bm C )  
 D  
 A long time ago we discovered that nothing could stop us C  
 D  
 This hasn't torn us apart so nothing ever will C  
 D  
 How can we know where we are if the sun is behind us? C  
 D  
 But this moment will show us the rest of our lives  
 C  
 No one is going to save us this time  
 D  
 No one can know what we're feeling  
 Em Bm C  
 So don't even try
