

Slipknot - Goodbye

```
Tom: E
  [Intro] Em Bm C
            Bm C
Come on over
            Bm C
Em
Come unglued
            Bm C
It?s not easy
To see all of you
            Bm C
Fm
Help yourselves
            Bm C
Help is on the way
            Bm C
Well there?s nothing to lose so now
            Bm C
I have something to say
Maybe we can all recognize a moment of silence
Maybe we can finally agree on the same point of view
A long time ago we believed
```

```
C And we were united D So the last thing on earth C I am ready to do is say Em Bm C Goodbye!

(Em Bm C)

D C A long time ago we discovered that nothing could stop us C This hasn?t torn us apart so nothing ever will D C How can we know where we are if the sun is behind us? D But this moment will show us the rest of our lives C No one is going to save us this time D No one can know what we?re feeling Em Bm C So don?t even try
```
