

# Slipknot - Snuff

Tom: **A**

Afinação: Drop **D** | **D A D G B E**  
Intro: 2x:

Primeira Parte:

**Gbm** **D**  
Bury all your secrets in my skin  
**Gbm**  
Come away with innocence,  
**D**  
And leave me with my sins  
**Gbm** **D**  
The air around me still feels like a cage  
**Gbm**  
And love is just a camouflage  
**D**  
For what resembles rage again...

Primeira Parte:

Solo 1:

Refrão:

**E**  
So if you love me, let me go  
**D(9/13)#**  
And run away before I know  
**E**  
My heart is just too dark to care  
**D(9/13)#**  
I can't destroy what isn't there  
**E**  
Deliver me into my Fate  
**D(9/13)#**  
If I'm alone I cannot hate  
**E**  
I don't deserve to have you...  
**D(7M/9)**  
Uh, my smile was taken long ago  
If I can change I hope I never know

Solo 2:

(Repete Primeira Parte com variação na letra)

**Gbm** **D**  
I still press your letters to my lips  
**Gbm**  
And cherish them in parts of me  
**D**  
That savor every kiss  
**Gbm** **D**  
I couldn't face a life without your light  
**Gbm**  
But all of that was ripped apart...  
**D**  
when you refused to fight.

Repetições - Primeira Parte:  
(Repete Refrão com variação na letra)

**E**  
So save your breath, I will not hear  
**D(9/13)#**  
I think I made it very clear  
**E**  
You couldn't hate enough to love  
**D(9/13)#**  
Is that supposed to be enough?  
**E**  
I only wish you weren't my friend  
**D(9/13)#**  
Then I could hurt you in the end  
**E**  
I never claimed to be a Saint...  
**D**  
Uh, my own was banished long ago  
It took the Death of Hope to let you go  
Solo 3:

(Repete Refrão com variação na letra)

**E**  
So break yourself against my stones  
**D(9/13)#**  
And spit your pity in my soul  
**E**  
You never needed any help  
**D(9/13)#**  
You sold me out to save yourself  
**E**  
And I won't listen to your shame  
**D(9/13)#**  
You ran away - You're all the same  
**E**  
Angels lie to keep control...  
**D**  
Uh, my love was punished long ago  
If you still care, don't ever let me know  
If you still care, don't ever let me know..  
Parte Final:

Solo 3:

## Acordes
