

# Slipknot - Snuff

Tom: **Bb**

(com acordes na forma de **C** )

Afinação: **D G C F A D** [Intro] **Am**

**Em F**

**Am F**  
Bury all your secrets in my skin

**Am F**  
Come away with innocence and leave me with my sins

**Am F**  
The air around me still feels like a cage

**Am F**  
And love is just a camouflage for what resembles rage again

[Solo] **Am Em F**  
So if you love me let me go

**Am**  
And run away before I know

**G**  
My heart is just too dark to care

**Am**  
I can't destroy what isn't there

**G**  
Deliver me into my fate

**Am**  
If I'm alone I cannot hate

**G**  
I don't deserve to have you

**F**  
Ooh, my smile was taken long ago

**Am Em F (brinc) Am Em F**  
(brinc)  
If I can change I hope I never know

**Am F (brinc)**  
I still press your letters to my lips

**Am F (brinc)**  
And cherish them in parts of me that savor every kiss

**Am F (brinc.)**  
I couldn't face a life without your lights

**Am F**  
But all of that was ripped apart when you refused to fight

**G**  
So save your breath, I will not care

**Am**  
I think I made it very clear

**G**  
You couldn't hate enough to love

**Am**  
Is that supposed to be enough?

**G**  
I only wish you weren't my friend

**Am**  
Then I could hurt you in the end

**G**  
I never claimed to be a saint

**F**  
Ooh, my own was banished long ago

**Am Em F**  
It took the death of hope to let you go

**Am Em F**  
Oooh

**G**  
So break yourself against my stones

**Am**  
And spit your pity in my soul

**G**  
You never needed any help

**Am**  
You sold me out to save yourself

**G**  
And I won't listen to your shame

**Am**  
You ran away, you're all the same

**G**  
Angels lie to keep control

**F**  
Ooh, my love was punished long ago

**Am Em F**  
If you still care don't ever let me know

**Am**  
If you still care don't ever let me know

**Em F Am**
