

Slipknot - Snuff

tom:

Intro: Gbm7 D A

[Primeira Parte]

Gbm7 D
Bury all your secrets in my skin
Gbm7
Come away with innocence
D
And leave me with my sins
Gbm7 D
The air around me still feels like a cage
Gbm7
And love is just a camouflage
D
For what resembles rage again
(Gbm7 D)

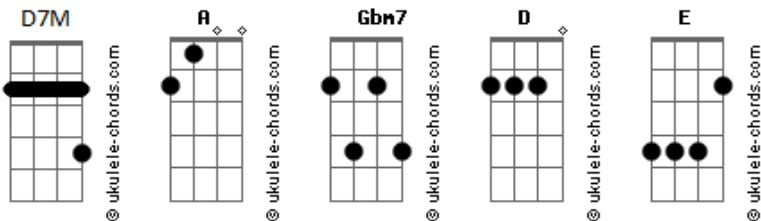

[Refrão]

E
So if you love me, let me go
D7M#
And run away before I know
E
My heart is just too dark to care
D7M# there
E
I can't destroy what isn't
E
Deliver me into my Fate
D7M#
If I'm alone I cannot hate
E
I don't deserve to have you
D
Uh, my smile was taken long ago
If I can change I hope I never know
(Gbm7 D)

[Primeira Parte]

Gbm7 D
I still press your letters to my lips
Gbm7
And cherish them in parts of me
D
That savor every kiss
Gbm7 D

Acordes

I couldn't face a life without your light
Gbm7
But all of that was ripped apart
D
When you refused to fight

[Refrão]

E
So save your breath, I will not hear
D7M#
I think I made it very clear
E
You couldn't hate enough to love
D7M#
Is that supposed to be enough?
E
I only wish you weren't my friend
D7M#
Then I could hurt you in the end
E
I never claimed to be a Saint
D
Uh, my own was banished long ago
It took the death of hope to let you go
(Gbm7 D)
E
So break yourself against my stones
D7M#
And spit your pity in my soul
E
You never needed any help
D7M#
You sold me out to save yourself
E
And I won't listen to your shame
D7M#
You ran away - You're all the same
E
Angels lie to keep control
D
Uh, my love was punished long ago
If you still care, don't ever let me know
(Gbm7 D)
If you still care, don't ever let me know
(Gbm7 D)
(Gbm7)
