Guitar 2:

This song is not for the living
This song is for the dead

Am
With my face against the floor
C
I can see you knock me out of the way
D
I don't want to get back up
C E Am

But I have to solid mines well be today

Repete a mesma sequencia ate o fim

Nothing appears to me, no one feels like me
I'm too busy being come to desapare
I'm no shame to be alone
Contrairing to the shit that you may hear

So walk with me
Walk with me
Don't left this simbolism kill your heart
Walk with me
Walk with me
Just like you should it done right from the start
Walk with me
Walk with me
Don't let this fucking world to rip you apart
