

Slipknot - Yen

tom:

^{Am}
You're the sin that I've been waiting for
^E
The hands around my throat
^{D2}
It's all I can think about
^{Aadd9}
The smell of sweat and blood

^{Am}
I would feed you all my pleasures
^E
Just to drown in all of yours
^{D2}
Have you heard of me?
^E
Are you hurting me?

^{Am}
Let me savor what I'm waiting for
^E
A chance to make me choke
^{D2}
You're all I can think about
^{Aadd9}
The taste is red in rust

^{Am}
Can I hold you in my mouth
^E
Until I fade into this form?
^{D2}
Can you cover me?
^E
Will you breathe for me?

^{Am}
As the knife goes in, cut across my skin
^E
When my death begins
^C
I wanna know that I was dying for you
^E
I died for you

^{Am}
As the knife goes in, cut across my skin
^E
When my death begins
^C
I wanna know that I was dying for you
^{Am}
I died for you

^{Am}
I don't know what has happened yet
^E
A surge of panicked zeal
^{D2}
Worry when it's not effect

This game is fine by me

^{Am}
All the words for retribution
^E
Only add up to revenge

Overpower me and

Devour me

^{Am}
As the knife goes in, cut across my skin
^E
When my death begins
^C
I wanna know that I was dying for you

I died for you

As the knife goes in, cut across my skin
^E
When my death begins
