

# Slipknot - Yen

tom:

<sup>Am</sup>  
You're the sin that I've been waiting for  
<sup>E</sup>  
The hands around my throat  
<sup>D2</sup>  
It's all I can think about  
<sup>Aadd9</sup>  
The smell of sweat and blood

<sup>Am</sup>  
I would feed you all my pleasures  
<sup>E</sup>  
Just to drown in all of yours  
<sup>D2</sup>  
Have you heard of me?  
<sup>E</sup>  
Are you hurting me?

<sup>Am</sup>  
Let me savor what I'm waiting for  
<sup>E</sup>  
A chance to make me choke  
<sup>D2</sup>  
You're all I can think about  
<sup>Aadd9</sup>  
The taste is red in rust

<sup>Am</sup>  
Can I hold you in my mouth  
<sup>E</sup>  
Until I fade into this form?  
<sup>D2</sup>  
Can you cover me?  
<sup>E</sup>  
Will you breathe for me?

<sup>Am</sup>  
As the knife goes in, cut across my skin  
<sup>E</sup>  
When my death begins  
<sup>C</sup>  
I wanna know that I was dying for you  
<sup>E</sup>  
I died for you

<sup>Am</sup>  
As the knife goes in, cut across my skin  
<sup>E</sup>  
When my death begins  
<sup>C</sup>  
I wanna know that I was dying for you  
<sup>Am</sup>  
I died for you

<sup>Am</sup>  
I don't know what has happened yet  
<sup>E</sup>  
A surge of panicked zeal  
<sup>D2</sup>  
Worry when it's not effect  
<sup>Aadd9</sup>

This game is fine by me

<sup>Am</sup>  
All the words for retribution  
<sup>E</sup>  
Only add up to revenge  
<sup>D2</sup>  
Overpower me and  
<sup>E</sup>  
Devour me

<sup>Am</sup>  
As the knife goes in, cut across my skin  
<sup>E</sup>  
When my death begins  
<sup>C</sup>  
I wanna know that I was dying for you  
<sup>E</sup>  
I died for you

<sup>Am</sup>  
As the knife goes in, cut across my skin  
<sup>E</sup>  
When my death begins  
<sup>C</sup>  
I wanna know that I was dying for you  
<sup>Am</sup>  
I died for you

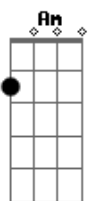

<sup>Am</sup> <sup>E</sup>  
Show me all the deaths are the same  
<sup>Am</sup>  
Show me you'll remember my name  
<sup>E</sup>  
Show me all the deaths are the same  
<sup>Am</sup>  
You will remember my name

<sup>Am</sup> <sup>F</sup>  
I wish this pain could last forever  
<sup>E</sup> ( <sup>E C Am</sup> )  
Forever  
<sup>Am</sup> <sup>E</sup>  
I wish this kill could make me suffer  
For good

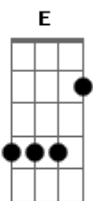

<sup>Am</sup>  
As the knife goes in, cut across my skin  
<sup>E</sup>  
When my death begins  
<sup>C</sup>  
I wanna know that I was dying for you  
<sup>E</sup>  
I died for you

<sup>Am</sup>  
As the knife goes in, cut across my skin  
<sup>E</sup>  
When my death begins  
<sup>C</sup>  
I know that I was dying for you  
<sup>Am</sup>  
I died for you
