

Smash Mouth - All Star

Tom: C

Somebody once told me the world is gonna roll me
 I ain't the sharpest tool in the shed
 She was looking kinda dumb with her finger and her
 Thumb in the shape of an "L" on her forehead

Well the years start coming and they don't stop coming
 Back to the rules and I hit the ground running
 Didn't make sense not to live for fun
 Your brain gets smart but your head gets dumb

So much to do so much to see
 So what's wrong with taking the back streets
 You'll never know if you don't go
 You'll never shine if you don't glow

Refrão:
 Hey now you're an All Star get your game on, go play
 Hey now you're a Rock Star get the show on get paid
 And all that glitters is gold
 Only shooting stars break the mold

It's a cool place and they say it gets colder
 You're bundled up now but wait 'til you get older
 But the media men beg to differ
 Judging by the hole in the satellite picture

The ice we skate is getting pretty thin
 The waters getting warm so you might as well swim
 My world's on fire how about yours

That's the way I like it and I never get bored

Refrão:
 Hey now you're an All Star get your game on, go play
 Hey now you're a Rock Star get the show on get paid
 And all that glitters is gold
 Only shooting stars break the mold
 Hey now you're an All Star get your game on, go play
 Hey now you're a Rock Star get the show on get paid
 And all that glitters is gold
 Only shooting stars break the mold
 Somebody once asked, could you spare some change for gas
 I need to get myself away from this place
 I said yep what a concept I could use a little fuel myself
 And we could all use a little change

Well the years start coming and they don't stop coming
 Back to the rules and I hit the ground running
 Didn't make sense not to live for fun
 Your brain gets smart but your head gets dumb

So much to do so much to see
 So what's wrong with taking the back streets
 You'll never know if you don't go
 You'll never shine if you don't glow
