tom:
Gb (forma dos acordes no tom de G)
Afinação: Eb Ab Db Gb Bb Eb

[Primeira Parte]

Somebody once told me
The world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kinda dumb
With her finger and her thumb
In the shape of an "L" on her forehead

[Pré-Refrão]

Well, the years start coming
And they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart
But your head gets dumb

So much to do so much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

[Refrão]

Hey now
You're an All Star
Get your game on
Go play
Hey now
You're a Rock Star
Get the show on
Get paid
And all that glitters is gold
Only shooting stars break the mold

[Segunda Parte]

It's a cool place
And they say it gets colder
You're bundled up now
But wait 'til you get older
But the meteor men beg to differ

Judging by the hole
In the satellite picture
The ice we skate
Is getting pretty thin
The waters getting warm
So you might as well swim
My world's on fire
How about yours
That's the way I like it
And I never get bored

[Refrão]

Hey now
You're an All Star
Get your game on
Go play
Hey now
You're a Rock Star
Get the show on
Get paid
And all that glitters is gold
Only shooting stars break the mold

[Terceira Parte]

Somebody once asked

"Could you spare some

Change for gas

I need to get

Myself away from this place

I said yep what a concept

I could use a little fuel myself

And we could all use a little change

[Pré-Refrão]
