

Smash Mouth - Fallen Horses

Tom: G

D
A long summers day
Am
stretching out the cold
D
searching for the answers
Am
and some say i'm not alone
Em **G**
could you tell me
D
where i might find
Em **G** **D**
fallen horses their spirits they fly

D
blinded by the whiteness
Am
staring at the sun
D
i'm wishing that i had wings
Am
so that i could become one

Em **G**
would you help me
D
if i wanted to die
Em **G** **Gb**
i could ride off with horses tonight

D **Am**
tell me why why oh why
D **Am**
i said why why oh why

now that i've arrived here
i know i'm not alone
all my friend among me
tell me welcome home
but could you tell me
where i might find
the one i'm looking for
cause here wings have arrived

D **Am**
tell me why why oh why
D **Am**
i said why why oh why
