Tom: Gb
Verse chords (played with ska upstrokes)
  Gb Ab B Db
(Verse:)
                                  Ab
Lately I've been thinkin about the past, about the good
                                     Gb
           Db
times, and have they all come and gone. And are there more
                     В
           Ab
                                 Db
years behind, then ahead, then I say to myself
(Chorus:(barre chords))
                          Ab
                                               Gb B Gb Db
Fuck it Let's Rock Let's Rock
                                  Let's Rock
      (repeated)
Lately I've been thinkin who's in charge, about who they
                     Db
are, and are they lookin down and laughin hard. And are they
Ab B aliens or robots, or humanoids, or gods, I think I'm just
