

The Smashing Pumpkins - 1979 Intro

Tom: **E**

This and all the tabs I've posted are tabbed by me.

1st 2nd 3rd 4th
 (x8) | (x1) | (x6) |

after you play the first and second part(8x and the x1 part)
 you slide down to the
 third part. The by the 6 means bend the string up. I'm pretty
 sure this is right.
 Anyway, enjoy

Acordes
