Tabbed by Edward Davis - J

Well, this is my first TAB posted onto the Internet and you probably know how to play it but if you don't here it is anyway! Hopefully, soon we can have nearly all of the clips from Pastichio Medley Tabbed.

This is the main riff and occasionally there is a variation where you simply play this riff...but only with the Low **D** string and then gradually bring in the **A** and the **D** string.

The other part of the riff goes like this:

Then there is this descent:

Well there you fun!!!
