i wish i was blank
 i wish i was blank
 i wish i could think
 i wish i was blank
 id write a letter to you
 and thered be nothing to it
 i would have henandhaw
 im just hart to sart it
 i wish i was blank
 i wish i was blank
 i wish i could think
 i wish i was blank
 i wish id stand up stright
 i wish id set thing different
 i wish id said nothing
 things would be so perfect
 i wish myself to keep
 i wish myself soul to sleep
 i wish myself away
 i wish i was blank
