Tom: C  
Intro: - Am F E G

Am F  
Life is my weakness,  
E G  
Love is my soul,  
Am F  
If nothing means no one,  
E G  
Can play all alone.  
Am F  
If fear comes easy,  
E E  
I can lay down,  
Am C  
Milk from a flower,  
G F  
Blood from a stone.

C G Dm F  
So here we are, upon your stage,  
C G Dm  
The lies we shared, The dreams we saved.

(Am, F, E, G)  
We're bleeding the orchid,  
We're bleeding the orchid,  
We're bleeding the orchid.

(Am, F, E, G)  
Blessed my weakness,  
Blessed my rose,  
As hate forms a sequence,  
Of one by one.  
As freedom's not easy,  
There's so much to want,  
There's clouds in my shower,  
Ghosts in my home.

C G Dm F  
Do you miss where you were?  
C G Dm F  
They shall seal your shout.

(Am, F, E, G)  
Bleeding the orchid.  
Bleeding the orchid.  
Bleeding the orchid.
