

The Smashing Pumpkins - Crestfallen

Tom: C

Standard Tuning: E A D G B E

| Am | F Em | C | G Dm | Dm | G | G |

who am I to need you when I'm down

and where are you when I need you around

your life is not your own and all I ask you

is for another chance

another way around you

to live by circumstance once again

who am I to need you now

to ask you why to tell you no

to deserve your love and sympathy

you were never meant to belong to me

and you may go but I know you won't leave

too many years built into memories

your life is not your own

who am I to need you now

F Em G

to ask you why to tell you no

to deserve your love and sympathy

you were never meant to belong to me

| Am | F Em | C |

who am I to you?

along the way I lost my faith

and as you were you'll be again

to mold like clay to break like dirt

to tear me up in your sympathy

you were never meant to belong to me

you were never meant to belong to me

you were never meant to belong to me

who am I?

who am I?

who am I?

who am I?

who am I?

who am I?
