

The Smashing Pumpkins - Geek U.S.A

Tom: C

- Tuning: Eb Bb Eb Ab B# E#

Intro: - Heavy Distortion :)

=====

- The strumming pattern isn't right, so play it any way you think sounds good.

- Over the above, lay these licks...

VERSE - hammer on the lower 3 strings with your index and 3rd finger:

=====

"love, love let's pretend ...etc"

"...cast into the world with apple eyes... ..to wish, wish..."

- This is the basic fast-tempo metal format of the song; various bridges and things include bars on the 10th, 3rd, 5th and zeroth frets. It would take up less space if I omitted those.

CHORUS:

===== "shot full of diamonds and a million years

pear (etc.) ...the disappointed dis a

strums.....) James only (many

-Again, the strumming pattern isn't perfect. Repeat the intro part and the next verse. For that 2nd "shot full of diamonds", Billy slaps on a positive Octaver. Also, add these licks over the 2nd intro (confused yet?)

"if by chance or circumstance we should fail

THE LOUNGE ACT - unless your guitar plays backwards, play the following :)

=====

"In a dream...wrist, t I knew w had forsaken..."

t I Knew w h forsaken expelled f paradise

- Those notes at the question marks still piss me off...

SOLO - the only thing I attempted here was the following:

=====

...to my disease, of my needs...

OUTRO - wait for bass to do 4 bars, then do a heavy pick scrape and play this:

=====

"she really loves to break..."
