The Smashing Pumpkins - I am One

```
Tom: Gb

   4 bar drum intro

4 bars of bass: (repeat 2x)

Guitar intro:                                        pick slide

Main rhythm guitar part (verse):

-12p0-0-0-12p0-0-12p0-0-0--10--12--

        Am              I               as              I

..seem?   Undone          Love    So mellow(?)

(Another Billy fill....)

(verse)
Time is right for a guiding light
Try to turn to reasons in your bitter life
Your city to burn
Your city to burn
Try to look for something in your city to burn

You'll burn (unison guitars, play twice)

(verse guitar part):
See you.. you're the only one who
See you.. I am one

See you.. you're the only one who
See you.. (obviously I'm not sure about the lyrics)

Bridge: (there are two guitar parts to this, but they're tough
to separate..)
 A

(...into the double guitar solo.. both James & Billy solo for
8 bars or so)

Out of solo:
  E                             (wah pedal on each note..)

Bass alone: (2x)

(Back into more of Billy soloing and James playing his rhythm
part with D'arcy.
  This goes on for about 8 bars or so)

Basically the "See you... blah blah" part again with Billy
playing some sort of
 Gb7 chord over it... either:

-----    --11-or-9--
-----    --10--
--9--    --11--
-11-- or ------ which isn't really an F#7, but you get the
idea.
--9--    ------
-----    ------

End on the Gb chord hits.
