Am I as I
 ..seem? Undone Love So mellow(?)

(Another Billy fill....)

(verse)
 Time is right for a guiding light
 Try to turn to reasons in your bitter life
 Your city to burn
 Your city to burn

(verse guitar part):
 See you.. you're the only one who
 See you.. I am one
 See you.. you're the only one who
 See you.. (obviously I'm not sure about the lyrics)

Bridge: (there are two guitar parts to this, but they're tough to separate..)
A

(...into the double guitar solo.. both James & Billy solo for 8 bars or so)

Out of solo: **E** (wah pedal on each note..)

Bass alone: (2x)

(Back into more of Billy soloing and James playing his rhythm part with D'arcy.
 This goes on for about 8 bars or so)

Basically the "See you... blah blah" part again with Billy playing some sort of **Gb7** chord over it... either:

----- --11-or-9--
 ----- --10--
 --9-- --11--
 -11-- or ----- which isn't really an F#7, but you get the idea.
 --9-- -----

End on the **Gb** chord hits.
