

The Smashing Pumpkins - I am One

Tom: **Gb**

Try to look for something in your city to burn

4 bar drum intro

You'll burn (unison guitars, play twice)

4 bars of bass: (repeat 2x)

Guitar intro:

pick slide

(verse guitar part):

See you.. you're the only one who
See you.. I am one

Main rhythm guitar part (verse):

See you.. you're the only one who
See you.. (obviously I'm not sure about the lyrics)

```
|Billy (2x)
|-----
|-----
|--11--9-9-11--9-11--9-9-9-14-14--11--9-9-11--9-11-
-9-9-9-14-16--
|-----
|-----
|-----
|-----13-----
|-----
|-----12--14--
|-----11-----
|-----12--14--
|-----12p0-0-0-12p0-0-12p0-0-0-0----
-12p0-0-0-12p0-0-12p0-0-0--10--12--
```

Bridge: (there are two guitar parts to this, but they're tough to separate..)

A

(...into the double guitar solo.. both James & Billy solo for 8 bars or so)

Out of solo:

E

(wah pedal on each note..)

Bass alone: (2x)

(Back into more of Billy soloing and James playing his rhythm part with D'arcy.

This goes on for about 8 bars or so)

Basically the "See you... blah blah" part again with Billy playing some sort of

Gb7 chord over it... either:

```
----- --11-or-9--
----- --10--
--9-- --11--
-11-- or ----- which isn't really an F#7, but you get the
idea.
--9-- -----
----- -----
```

End on the **Gb** chord hits.

Am I as I

..seem? Undone Love So mellow(?)

(Another Billy fill....)

(verse)
Time is right for a guiding light
Try to turn to reasons in your bitter life
Your city to burn
Your city to burn
