

The Smashing Pumpkins - In The Arms Of Sleep 2

```
And Ill be anything to keep her here tonite
                                                                              E A Abm
               tom:
                                                             'Cause I want you to stay
               Ahm
                                                                                        with me
Intro: Abm Gb Abm Gb
                                                                        Gb E
                                                            I need you tonite
[Primeira Parte]
                                                            [Terceira Parte]
   Sleep will not come to this tired body now
                                                                            Gb
             Gb
                                                                She comes to me like an angel out of time
Peace will not come to this lonely heart
                                                                        Gb
                                                            As I play the part of a saint on my knees
There are some things I'll live without but I want you to know
                                                            There are some things I'll live without but I want you to know
         Α
                                                            A Abm
That I need you right now
That I need you right now
           Gb E
I need you tonite
                                                            [Final]
( Abm Gb )
(Abm Gb)
                                                            Suffer my desire
[Segunda Parte]
                                                                    Abm
                                                            Suffer my desire
                                                                    Abm
  I steal a kiss from her sleeping shadow moves
                                                            Suffer my desire
             Gb
                                                              E A
Cuz Ill always miss where ever she goes
                                                            For you
                                 Abm
And ill always need her more than she could ever need me
                                                                   Abm
                                                            Suffer my desire
I need someone to ease my mind
                                                                Abm
                                                            Suffer my desire
But sometimes that someone is so hard to find
                                                                    Abm
                                                            Suffer my desire
[Refrão]
                                                              E A Abm
                                                            For you
                                                            ( E A Abm Abm )
And Ill do anything to keep her here tonite
And Ill say anything to make her feel alright
                                                            For you
Acordes
