The Smashing Pumpkins - Love

```
Afinação: Eb Ab Db Gb Bb
                                                 B Eb
   To my mistakes, to my mistakes of cowardice
  She shimmy shakes, the jimmy jakes of consequence
   Born of the airs and dues, my airs of madness do declare
   That it's ok
                        it's love
It's what you wanted to see, it's who you wanted to be
For what you needed to need, she'll make it up!!!
(Refrão):
    В
          Db
   Lo_ve, Lo_ve, who you know (X4)
   Machine gun blues, her vacant rush is so steel
   I'm unaware, lost inside your visions
   I got mine too over, i got mine and i got you
                   В
   Cause i know you, you're love
   It's what you wanted to see, it's who you wanted to be
```

```
For what you needed to need, she'll make it up
(Refrão):
  В
        Db
  Lo_ve, Lo_ve, who you know (X4)
Passagem: (só um toque para baixo em cada nota)
 Can i look up to you as you look down on me
(Para o solo, a base é a mesma do refrão)
(For the solo, the riff is the same of chorus)
Solo:
  Can i feel in to you as you felt in to me
  I can't help what you see,
                           i can't help but to be
  For what i needed to need, she'll make it
(Refrão):
   В
         Db
                Fh
  Lo_ve, Lo_ve, who you know (X4)
