

# The Smashing Pumpkins - Muzzle

Tom: A

A G Bm A G Bm  
 i fear that i'm ordinary just like anyone  
 to lie here and die among the sorrows  
 adrift among the days

D Bm E  
 for everything i ever said and everything i've ever done is  
 gone  
 and dead

D Bm A  
 and all things must surly have to end  
 and great loves will one day have to part  
 i know that i'm meant for this world

A G Bm A G Bm  
 my life has been extraordinary blessed and cursed and won  
 time heals but i'm forever by and by the way

D Bm E  
 have you ever heard the words i'm singing in these songs?

D Bm A  
 it's for the girl i've loved all along  
 could a taste of love be so wrong

D Bm A  
 as all things must surely have to end  
 and great loves will one day have to part  
 i know that i'm meant for this world

A G Bm A G Bm  
 and in my mind i was floating far above the clouds  
 some children laughed i'd fall for certain  
 for thinking that i'd last forever

G Bm A  
 but i knew exactly where i was  
 and i knew the meaning of it all  
 and i knew the distance to the sun  
 and i knew the echo that is love  
 and i knew the secrets in your spires  
 and i knew the emptiness of youth  
 and i knew the solitude of heart  
 and i knew the murmurs of the soul

D Bm A  
 and the world is drawn into your hands  
 and the world is etched upon your heart  
 and the world so hard to understand

D Bm E  
 is the world you can't live without  
 D Bm A  
 and i knew the silence of the world
