

The Smashing Pumpkins - Plume

Tom: **G**

Drop **D** ("Grunge") tuning (D, A, D, G, B, **E**)

1

G1 Distortion, but not heavy (don't have the knob set "all the way")

repeat
several times

Keep playing the **G** at end of verse into

2

repeat
until

3

G1 Distortion, Phasing (the lovely Mu-Tron)
(I don't have much of this as I only have my acoustic here, but this will be updated and I will tab out these leads, I promise)

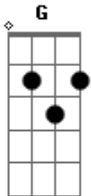

G2

and then 1

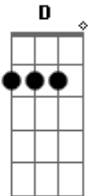

repeat 1

Those are the 3 main licks. I'll get back to you about the solos and the lyrics. I'm gonna hit Out of Focus now...
