Come in after the guitars

Riff 1
G|-----|

A|----1--|
E|1-----|

Slight Change Just Go up to G(3rd Fret on **E** string)

Riff 2
G|-----|
D|-----|
A|----3--|
E|3-----|

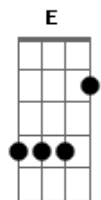

Another slight but easy change.

Riff 3
G|-----|

A|3--1--5--3--|
E|-----|

For the chorus play Riff1 and also for the second verse.
Then play Riff 2 and Riff 3, After Riff 3 pause and go back to Riff 1
When Billy and that guy from Blue Blue Beef are singing together do the
Just play through Riff 1, Riff 2, And Riff 3 thing.
And towards the end of the song just play Riff 3 alot!
