

The Smashing Pumpkins - Sad Peter Pan

Album: Sweet Relief II - Gravity of the Situation Tuning: $\begin{tabular}{ll} E & A & D & G \end{tabular}$

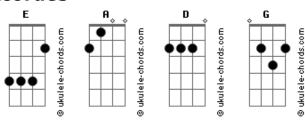

I love this song...its kind of cool in a wierd way $\ensuremath{\mathsf{Come}}$ in after the guitars

Riff 1 G|-----| D|-----| A|-----| E|1------|

Slight Change Just Go up to G(3rd Fret on E string)

Riff 2 G|-----| D|-----| A|----3--| E|3-----|

Acordes

Another slight but easy change.

Riff 3 G|------| D|------| A|3-1--5--3--| E|-------

For the chorus play Riffl and also for the second verse. Then play Riff 2 and Riff 3, After Riff 3 pause and go back to Riff 1 $\,$

When Billy and that guy from Blue Blue Beef are singing together do the $\,$

Just play through Riff 1, Riff 2, And Riff 3 thing. And towards the end of the song just play Riff 3 alot!
