

The Smashing Pumpkins - Soma

tom:

Intro: B E G B
 Nothing left to say
 And all I've left to do
 Is run away from you
 She led me on, down secrets I can't keep
 Close your eyes and sleep
 Don't wait up for me
 Hush now, don't you speak
 To me
 Wrapped my hurt in you
 And took my shelter in that pain
 The opiate of blame
 Is your broken heart, heart, your heart, so now
 I'm all by myself
 As I've always felt
 I'll betray my tears
 To anyone caught in our ruse of fools
 One last kiss from me, yeah
 One last kiss, good night

(A C)

Didn't want to lose you once again
 Didn't want to be your friend
 Fulfilled a promise made of tin
 And crawled back to you
 I'm all by myself
 As I've always felt
 I'll betray myself
 To anyone, lost, anyone but you

(B E G B)
 (E G B E)
 (G A C G)

So let the sadness come again
 On that you can depend on me, yeah
 Until the bitter, bitter end of the world, yeah
 When god sleeps in bliss
 And I'm all by myself
 As I've always felt
 And I'll betray myself
 To anyone
