

The Smashing Pumpkins - Spaceboy

Tom: **G**

Main riff:
|--repeat 3x----|

play this main acoustic riff throughout most of the song, or play the chords marked in the lyrics....

[riff]
Feel it break your bones mr. jones
Taste me as I bleed, taste my need

Spaceboy, I've missed you, spinning round my head
C(i) **G** Am(i) **D** Em(i) **Em**
Anyway you choose me, I break instead

[riff]
Watch me, death defy, defile my life
I don't need, if I don't care

Please I want to go home..I want to go home..
I want to go home, I want to go home
Cause when a lover aches, that's when a lover breaks

I want to go home, I want to go home...

Now just play the following riff twice for the instrumental:

C(i) **G**
Spaceboy, they'll kill me
Am(i) Em(i)
Before I'm dead and gone
C(i) **G**
And anyway they choose me,
D **Em** F(i)
It won't be long
C(i) **G**
And anyway they choose me,
D
We won't be long...

We won't be long...
repeat this until you end on the funny **F** chord
