

# The Smashing Pumpkins - Starla

Tom: **D**

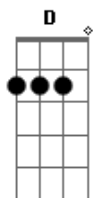

This is the clean beginning then just add distortion and you have the chours i guess is what you would call it...

play these towards the end under the 4 minute long solo...there is no strum Time here just listen to the record..

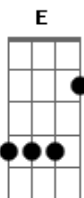

This is the soft i guess bridge 1 There is some kind of  
Just alternate these two chords Small bridge in the dis  
tortion that goes like  
this.

SORRY no solo... I suck at solos and since i Broke my **E** string i couldn't finish it, unless someone wants to send me an **E** (small one) string..=)
