  time is never time at all
  you can never ever leave without leaving a piece of youth
  and our lives are forever changed we will never be the same
  the more you change the less you feel
  believe, believe in me, believe (believe)
  that life can change, that you're not stuck in vain
  we're not the same, we're different tonight

and you know you're never sure
but you're sure you could be right
if you held yourself up to the light
and the embers never fade in your city by the lake
the place where you were born
believe, believe in me, believe (believe)
                           G D Em
in the resolute urgency of now
                                            CGDCGD
and if you believe there's not a chance tonight

                                   D Em
we'll find a way to offer up the night tonight
                    C
                                  D Fm
