G1 distortion

G2

G2 Distortion

Both guitars:

Repeat 1 through lyrics until:

Note: An alternate way of playing this (It's the way I play it, but

2

I've not seen them play this live so I don't know how Billy plays

G1

it) is with one guitar as follows:

G2

Lyrics:

this is close to providing the rhythmic guitar noise in this part.
palm mute while fret-muting with your other hand near the nut.

Plant (pledged?) your faith
my heart embraced
struggle to renew

Repeat 1 then 2

Blurry mind
so hypnotized
fast enough who..

3

Wonder...where you are.
Tristessa

Both Guitars:

Soul take soul
as I take eye
I will wait for you

Repeat 3 then:

What you believe
you'll wish to recieve.
Who to believe in who?
You.

4

Both guitars

Hang on...to your life.
Tristessa

Surely I knew...Surely I knew...Surely I knew.....

I love you true
Surely I knew (do?)
I love you true
Surely I knew
Surely I knew
Surely I knew

Solo

...sorry, that's all I know. Other guitar plays 1 behind this.

Do you ever wake up and find yourself alone?
Do you ever wake up far from home?
What you believe
you'll wish to recieve.
Who to believe in who?
