Parte 3 de 3

I, I've been keeping secrets from you dear
 There's things of me are scared and you're my fear
 The crack goes in the ground
 And you, you've been coming closer to the edge
 Wonder what goes on in my head
 And so I shut you out

And I guess that we don't need to be falling apart
 But you will always have a special place in my heart
 I never wanted this to end, can you for__give me friend?

'Cause I fell in the hole, in the hole, in the hole
 My heart was turning cold, turning cold, turning cold
 I never wanted this to end, can you for__give me friend?

And I, I promised you that we would never change

Am G C
 That you and me would always stay the same
 Am G C
 How I let you down

Am G C
 And I guess that we don't need to be falling apart
 Am G C
 But you will always have a special place in my heart
