A Gbm D Dm

[Primeira Parte]

A Gbm
Watching my fish swim in my room
D Dm
Floating around I think of you
A Gbm
No rhyme or reason you're just in my head
D Dm
And I'm alone in my bed

(A Gbm D Dm)

[Segunda Parte]

A Gbm
I'm listening to the songs you told me to
D Dm
I don't really like them but I'll pretend for you
A Gbm
I'll learn some lyrics so I can sing when you do
D Dm
But I keep thinking if only you knew

(A Gbm D Dm)

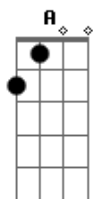

[Ponte]

A Gbm D Dm
When I'm not around you don't care
A Gbm D Dm
And even when I make a sound you don't know that I'm there

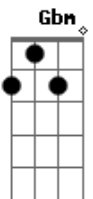

[Terceira Parte]

A Gbm D
Dm
I listen to you rant about your shitty life even though I know
that I can make it better
A Gbm D Dm
A
And I'm not saying I'd be the best boyfriend but I'd always
lend you my sweatshirt
Dm
When you're cold
A Gbm
And when you hear this song you won't know it's about you
D A
'Cos you're oblivious to my feelings and that's fine
Gbm D
Dm A
But I hope when you hear it you'll add it to a playlist of
your favourite songs of all time
