

# Snoh Aalegra - I Want You Around

tom:  
**G**  
 It's not that I don't want you here (yeah, yeah)  
 It's somethin' 'bout the way you stare into my eyes  
 I know that I don't make things clear (no)  
 I fall for you every time I try to resist you  
 We can get away  
 Palm trees, beach views  
 Ordinary day  
 All I wanna hear is Innervisions on replay  
 And sit right next to you, you  
 I try not to show how I feel about you  
 Thinkin' we should wait, but we don't really want to  
 I just wanna get away  
 And sit right next to you, you  
 I don't wanna kiss you yet  
 I just wanna feel you  
 Feel you  
 I want you around (around)  
 Around  
 I want you around (around)  
 Around ('round, 'round, 'round)  
 I want you around  
 Around  
 I want you around  
 Around, around, 'round, 'round

( **Eb7 Abm7 Gm7 Gbm7 Gbm** )  
 I want you around  
 Come through, I think I need you here (what)  
 I swear it's hard to keep these feelings to myself  
 Now you're the one I'm thinkin' of  
 My higher ground, my rocket love  
 Fuck gravity, I'd rather stay up here, but  
 We can get away  
 Palm trees, beach views  
 Ordinary day  
 All I wanna hear is Innervisions on replay  
 And sit right next to you, you  
 I try not to show how I feel about you  
 Thinkin' we should wait, but we don't really want to  
 I just wanna get away  
 And sit right next to you, you  
 I don't wanna kiss you yet  
 I just wanna feel you  
 Feel you  
 I want you around (around)  
 Around  
 I want you around (around)  
 Around ('round, 'round, 'round)  
 I want you around  
 Around  
 I want you around  
 Around  
 I want you around  
 Around, around, 'round, 'round
