

Snoh Aalegra - I Want You Around

tom:
G
 It's not that I don't want you here (yeah, yeah)
 It's somethin' 'bout the way you stare into my eyes
 I know that I don't make things clear (no)
 I fall for you every time I try to resist you
 We can get away
 Palm trees, beach views
 Ordinary day
 All I wanna hear is Innervisions on replay
 And sit right next to you, you
 I try not to show how I feel about you
 Thinkin' we should wait, but we don't really want to
 I just wanna get away
 And sit right next to you, you
 I don't wanna kiss you yet
 I just wanna feel you
 Feel you
 I want you around (around)
 Around
 I want you around (around)
 Around ('round, 'round, 'round)
 I want you around
 Around
 I want you around
 Around, around, 'round, 'round

(**Eb7 Abm7 Gm7 Gbm7 Gbm**)
 I want you around
 Come through, I think I need you here (what)
 I swear it's hard to keep these feelings to myself
 Now you're the one I'm thinkin' of
 My higher ground, my rocket love
 Fuck gravity, I'd rather stay up here, but
 We can get away
 Palm trees, beach views
 Ordinary day
 All I wanna hear is Innervisions on replay
 And sit right next to you, you
 I try not to show how I feel about you
 Thinkin' we should wait, but we don't really want to
 I just wanna get away
 And sit right next to you, you
 I don't wanna kiss you yet
 I just wanna feel you
 Feel you
 I want you around (around)
 Around
 I want you around (around)
 Around ('round, 'round, 'round)
 I want you around
 Around
 I want you around
 Around
 I want you around
 Around, around, 'round, 'round
