

Snoop Dogg - Ashtrays And Heartbreaks

Tom: E

Feat. Miley Cyrus

Dbm Tonight, there's gonna be a whole lot of smoke in the air
Dbm Blow it hard for the ones who ain't here
Dbm Seems like every day we're putting one six feet underground
Dbm So blaze, what goes up, must come down
Dbm Now my buzz is goin', and I need to re-up on reality
 Can't let them see me weak, I need to find something
 Is there any possibility that everyone feels like me?
Dbm Ashtrays and heartbreaks
 I lost some, let's toast to one
Dbm So put 'em high, lets reminisce
 You're gonna aim, but you'll never miss
Dbm Ashtrays and heartbreaks
 I lost some, let's toast to one
Dbm So raise a class to the memories
 Set 'em free and fill up all those ashtrays
Ab Fill up all those ashtrays

Dbm **Bb** **Ab** x2
Dbm Tomorrow when you wake up and realize life ain't fair
Dbm Throw it back, and make the whole world disappear
Dbm You never miss what you had until it's gone
Dbm When it's right, something always will go wrong
Dbm Now my buzz is goin', and I need to re-up on reality
Dbm Can't let them see me weak, I need to find something
Dbm Is there any possibility that everyone feels like me?
Dbm Ashtrays and heartbreaks
Dbm I lost some, let's toast to one
Dbm So put 'em high, lets reminisce
Dbm You're gonna aim, but you'll never miss
