

Snow Patrol - Chasing Cars

Tom: A

We'll do it all, everything, on our own.
 We don't need anything, or anyone.

If I lay here, if I just lay here
 Would you lie with me, and just forget the world.

I don't quite know how to say how I feel
 Those three words, I said too much, but not enough.

If I lay here, if I just lay here
 Would you lie with me, and just forget the world.

Forget what we're told, before we get too old
 Show me a garden that's bursting into life.

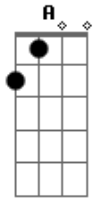

Let's waste time, chasing cars, around our heads.
 I need your grace to remind me, to find my own.

If I lay here, if I just lay here
 Would you lie with me, and just forget the world.
 Forget what we're told, before we get too old
 Show me a garden that's bursting into life.

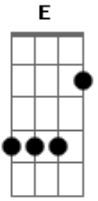

All that I am, all that I ever was
 Is here in your perfect eyes, they're all I can see
 I don't know where, confused about how as well
 just know that these things will never change for us at all.

If I lay here, if I just lay here
 Would you lie with me, and just forget the world.
