

Snow Patrol - Empress

Tom:

Intro: C F C F

[Primeira Parte]

You're ^C angry but you don't know how to be ^F that yet
 It seems too much went wrong and all at once
 Resistance seems impossible from down this low
 And surely no one else can feel like this

[Pré-Refrão]

But on the streets
 You can see them gathering ^{Dm}
 And in your heart
 You know they feel like you do ^{Dm}

[Refrão]

^C Sound and pulse and volume
^C Hands just reaching other hands
^C This is almost overload
^F I said almost overload
^C Friends and foes and princes ^F
^C Are all just human in the end
^C This is so damn simple, yeah
^F It's so damn simple ^C

[Segunda Parte]

So ^C standing in the steady throne of ^F restless hope
 You don't feel like an outcast anymore
 And something deep inside of you has waken up
 And you know that nothing's gonna be the same again ^F

[Pré-Refrão]

^F And on the streets
^C You can see for what seems miles ^{Dm}
^F Because in your heart
^C You know they feel like you do ^{Dm}

[Refrão]

^C Sound and pulse and volume ^F
^C Hands just reaching other hands
^C This is almost overload
^F I said almost overload
^C Friends and foes and princes ^F
^C Are all just human in the end
^C This is so damn simple, yeah
^F It's so damn simple ^C

[Solo] C F C F

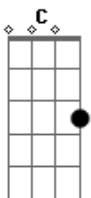

[Ponte]

^C Your mind won't be still
^F It may not again
^C You don't think it will
^F But it will, it will

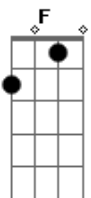

[Refrão]

^C Sound and pulse and volume
^F Hands just reaching other hands
^C This is so damn simple, yeah
^F It's so damn simple
^C This is so damn simple, yeah
^F This is so damn simple
^C This is so damn simple, yeah
^C This is so damn simple
^C This is so damn simple
