

# Snow Patrol - Open Your Eyes

Tom: C

(intro 2x) G C Em7 C

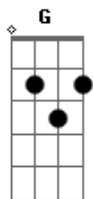

G C  
All this feels strange and untrue  
Em7 C  
And I won't waste a minute without you  
G C  
My bones ache, my skin feels cold  
Em7 C  
And I'm getting so tired and so old  
G C  
The anger swells in my guts  
Em7 C  
And I won't feel these slices and cuts  
G C  
I want so much to open your eyes  
Em7 C  
Cos I need you to look into mine  
G C  
Tell me that you'll open your eyes  
Em7 C  
Tell me that you'll open your eyes (2x)  
G C  
Get up, get out, get away from these liars

Em7 C  
Cos they don't get your soul or your fire  
G C  
Take my hand, knot your fingers through mine  
Em7 C  
And we'll walk from this dark room for the last time  
G C  
Every minute from this minute now  
Em7 C  
We can do what we like anywhere  
G C  
I want so much to open your eyes  
Em7 C  
Cos I need you to look into mine  
G C  
Tell me that you'll open your eyes  
Em7 C  
Tell me that you'll open your eyes (2x) (4x)  
(solo 6x) G C Em7 C  
G C  
All this feels strange and untrue  
Em7 C  
And I won't waste a minute without you
