

Snow Patrol - Set Down Your Glass

Tom: D

D
Just close your eyes, and count to five
G7 A Bm A G7 A D
Let's craft the only thing we know into surprise

D
Set down your glass, I painted this
G7 A Bm A G7 A D
To look like you and me forever as we're know

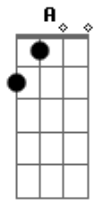

Refrão:
G7

And I'm shaking and I'm still
When you're eyes meet mine all lose simple skills
Like to tell you all I want, is now

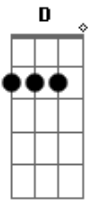

D
You say I'm killed, I'm just not the same
As I was a year ago, and each minute since then

D
My jumper tears, as we take it off
You say your sold me good as new and I know you will
