

Snow Patrol - Set The Fire To The Third Bar

Tom: D

Riff 1:

Riff 2:

(Riff 1)
 I find the map and draw a straight line
 Over rivers, farms, and state lines
 The distance from here to where you'd be
 It's only finger-lengths that I see
 I touch the place where I'd find your face
 My finger in creases of distant dark places

(Riff 2)
 I hang my coat up in the first bar
 There is no peace that I've found so far
 The laughter penetrates my silence
 As drunken men find flaws in science

(Riff 2)
 Their words mostly noises
 Ghosts with just voices
 Your words in my memory
 Are like music to me

Bm D
 I'm miles from where you are,
 A G
 I lay down on the cold ground

Bm D
 I, I pray that something picks me up
 A G
 And sets me down in your warm arms

(Riff 2)
 After I have travelled so far
 We'd set the fire to the third bar
 We'd share each other like an island
 Until exhausted, close our eyelids
 And dreaming, pick up from
 The last place we left off
 Your soft skin is weeping
 A joy you can't keep in

Bm D
 I'm miles from where you are,
 A G
 I lay down on the cold ground
 Bm D
 I, I pray that something picks me up
 A G
 And sets me down in your warm arms

Bm D
 I'm miles from where you are,
 A G
 I lay down on the cold ground
 Bm D
 I, I pray that something picks me up
 A G
 And sets me down in your warm arms
