

Snow Patrol - Signal Fire

Tom: A

A Gbm E D
 The perfect words never crossed my mind,
 A Gbm E
 'cause there was nothing in there but you,
 A Gbm E D
 I felt every ounce of me screaming out,
 A Gbm E
 But the sound was trapped deep in me,
 A Gbm E D
 All I wanted just sped right past me,
 A Gbm E
 While I was rooted fast to the earth,
 A Gbm E D
 I could be stuck here for a thousand years,
 A Gbm E
 Without your arms to drag me out,

Refão

A E Gbm D
 There you are standing right in front of me (x2)
 A E Gbm D
 All this fear falls away to leave me naked,
 A E Gbm D
 Hold me close cause I need you to guide me to safety
 A E Gbm D

No I wont wait forever (x2)

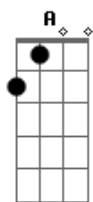

Verso 2

A Gbm E D
 In the confusion and the aftermath,
 A Gbm E
 You are my signal fire,
 A Gbm E D
 The only resolution and the only joy,
 A Gbm E
 Is the faint spark of forgiveness in your eyes,

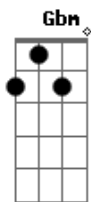

Refão

A E Gbm D
 There you are standing right in front of me (x2)
 A E Gbm D
 All this fear falls away to leave me naked,
 A E Gbm D
 Hold me close cause I need you to guide me to safety,
 A E Gbm D
 There you are standing right in front of me (x2)
 A E Gbm D
 All this fear falls away to leave me naked,
 A E Gbm D
 Hold me close cause I need you to guide me to safety,
 A E Gbm D
 No I wont wait forever (x3)
