

# Snow Patrol - Spitting Games

Tom: C  
Intro: /bridge

D C Bm G  
I broke into your house last night,  
D C Bm G  
And left a note at your bedside,  
D C Bm G  
I'm far too shy to speak to you at school,  
D C Bm G  
You leave me numb and i'm not sure why,

Bridge

D C Bm G  
I find it easier to sit and stare,  
D C Bm G  
Than push my limbs out towards you out there,  
D C Bm G  
My heart is bursting in your perfect eyes,  
D C Bm G  
As blue as oceans and as pure as skies,  
  
F G D  
I struggle for the words and then give up,  
F G D

My head up with the birds on the t-hut,  
F G D  
A little piece of mind that i know better,  
F G D  
Than the plain disgrace of all my letters,

Bridge

D C Bm G  
After that the floodgates opened up,  
D C Bm G  
And i fell in love with everyone i saw,  
D C Bm G  
Please take your time i'm not in any rush,  
D C Bm G  
And its in everything I ever write

F G D  
Its not as if i need the extra weight,  
F G D  
Confused enough by life so thanks a lot,  
F G D  
Lonely written words for company,  
F G D  
Just raise the roof this once and follow me,
