

Snow Patrol - Whatever's Left

Tom: G

It's a feeling I've had many times before
 I can't hold the fort so don't give me more
 I struggle and sweat when I'm wide awake
 When I know I'm fine, I'm not used to fine

(refrão)

It's the same thing again
 But it could become a problem if
 We don't deal with it now
 And you blast off in another rant
 I've not opened my mouth
 Can you read my mind so easily

As the madness sets in
 You must know that I'll follow you
 You must know that I'll follow you
 You must know that I'll follow you
 You must know that I'll follow you
 You must know that I'll follow you

A sudden movement and a broken limb
 The patches are there to show where I'm hit
 My fault is it now well that's news to me
 Curled and joyless we try once again

(refrão)
