

# Snow Patrol - Whatever's Left

Tom: G

It's a feeling I've had many times before  
 I can't hold the fort so don't give me more  
 I struggle and sweat when I'm wide awake  
 When I know I'm fine, I'm not used to fine

(refrão)

It's the same thing again  
 But it could become a problem if  
 We don't deal with it now  
 And you blast off in another rant  
 I've not opened my mouth  
 Can you read my mind so easily

As the madness sets in  
 You must know that I'll follow you  
 You must know that I'll follow you  
 You must know that I'll follow you  
 You must know that I'll follow you  
 You must know that I'll follow you

A sudden movement and a broken limb  
 The patches are there to show where I'm hit  
 My fault is it now well that's news to me  
 Curled and joyless we try once again

(refrão)
