

# Snow Patrol - Wow

Tom: A

Abm A E  
 Don't be scared of anything at all  
 Abm A E  
 Everything we have is all we need  
 Abm A E  
 All the spotlights streaming into angry skies  
 Abm A E  
 Means there's no one watching as we leave

Dbm  
 Say the first thing that  
 D2 E  
 Comes into your mind when you see me  
 Dbm D2  
 If it looks like it works and it feels like it works  
 E  
 Then it works  
 Dbm  
 With the sun on your face  
 D2 E  
 All these worries will soon disappear

Just follow me now

Abm A E  
 I find careful patterns in the snow  
 Abm A E  
 It seems you did come round but changed your mind  
 Abm A E  
 If you'd just take ten more steps to me  
 Abm A E  
 I won't ever ask you again

Dbm D2 E  
 Just because I couldn't say doesn't make me a liar  
 Dbm D2  
 I noticed a change in the tone of your voice  
 E  
 It's so clear  
 Dbm  
 My role in this mess  
 D2 E  
 Is not something that I can be proud of  
 But it's all going to change

## Acordes
