

# Snow Patrol - You Could Be Happy

Tom: F

You could be happy and I won't know  
 But you weren't happy the day I watched you go  
 And all the things that I wish I had not said  
 Are played on lips 'til it's madness in my head

Is it too late to remind you how we were?  
 But not our last days of silent, screaming blur  
 Most of what I remember makes me sure

I should have stopped you from walking out the door

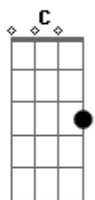

You could be happy, I hope you are  
 You made me happier than I'd been by far  
 Somehow everything I own smells of you  
 And for the tiniest moment it's all not true

Do the things that you always wanted to  
 Without me there to hold you back, don't think, just do  
 More than anything I want to see you go  
 Take a glorious bite out of the whole world
