

# Snowmine - Let Me In

Tom: Gb

Intro

Gb Db Abm B x2

Verse 1

Just to want it,  
 And not to need it,  
 Makes me let it go.  
 But then you let me in,  
 And I don't want it.  
 But you made me believe it.  
 So do I really? Do I really?

Chorus

If you could you keep it together  
 For a moment in time?  
 Then you'd see that I can't be,  
 Your excuse for a lover.  
 You are mountain to climb.  
 You would see.

Verse 2

I left my shoes under your bed  
 but I left my body outside.  
 How could I get back into this mess?  
 I kept telling myself the temptations would do me in.

Chorus

If you could you keep it together

If you could you keep it together

For a moment in time?  
 Then you'd see that I can't be,  
 Your excuse for a lover.  
 You are mountain to climb.  
 You would see.

Verse 3

And I think I see this happening again  
 From my lonely point of view  
 See every time that I'm with you  
 I think this will happen again.

Chorus

If you could you keep it together  
 For a moment in time?  
 Then you'd see that I can't be,
